

• Molecular Biophysics Program First Year Milestones

Student Name: _____ Entry Year: _____

MOB Track: _____

Year 1: Rotations, Courses & Milestones Completed

_____ Rotation Interview Form submitted

_____ Completion of First Year Lab Rotations and 2 page reports (MOB 5905-Rotations)

_____ Rotation One, Professor _____

_____ Rotation Two, Professor _____

_____ Rotation Three, Professor _____

_____ Rotation Four (optional), Professor _____

_____ Successful completion of courses with overall GPA ≥ 3.0

_____ BCH 5505 Structure and Function of Enzymes Grade: _____

_____ BCH 5745 Chemical and Physical Characterization of Biopolymers Grade: _____

_____ PCB 5137 Advanced Cell Biology Grade: _____

_____ Elective Course _____ Grade: _____

_____ Elective Course _____ Grade: _____

_____ Elective Course _____ Grade: _____

_____ Attendance at the Biochemistry Seminar during Fall and Spring Terms

_____ Completion of the Responsible Conduct of Research Course

_____ Selection of your Major Professor and Committee --Major Professor: _____

_____ Presented at least one talk at a SECS meeting

_____ Optional travel to scientific meeting-Name meeting _____

_____ Program of Studies Due by September 1 (Form is found on IMB/MOB website)

_____ Submitted Fellowship Applications (e.g. Ford Fellowship, AHA, NSF)

_____ First Year Annual Review by Program Director Signature: _____

Date: _____
