

FLORIDA CORE NETWORK EVENT 3

Chemical Sciences Laboratory Auditorium ([CSL 1003](#))

Florida State University, Tallahassee, FL 32306-4390

<http://biophysics.fsu.edu/fcne3/>

Thursday, August 11, 2016, 9:30 AM to 6:00 PM

All Florida-wide Core (Scientific) Facilities are invited to participate in a daylong networking event to be held at Florida State University. Each Facility will be able to introduce themselves, their personnel, and capabilities to all other Core Facilities. This third annual event will feature speed introductions, quick presentations, round table discussions, facilities tour, and a poster reception. This is a no charge registration event.

- **Networking Opportunities**
- **Lightning Round Presentations**
- **Round Table Discussions**
- **Facilities Tours**
- **Poster Reception**
